Capt. Bill Smith

Bill is a licensed professional guide who has been fishing and hunting the bays out of Rockport for over 30 years. Bill is not your typical guide. His enthusiasm for the outdoors is evident when you meet him. All of Bill's experience pays off. As one of his regular clients says, "He not only knows "fishing" but he is a very interesting guy to spend the day with."

Let Bill's experience work for you. Whether you are a beginner or an experienced angler, Captain Bill Smith will provide you with a great fishing adventure.

Third Coast Adventures provides professional quality rods and reels; all lures, live bait and tackle.

You may bring along a lunch and any special drinks and put them in a 94 qt. ice chest. We will filet and package your fish for you. (no bones here!)

Third Coast Adventures fishes for Redfish and Trout from a 23' custom built Saltwater Classic. Depending on weather conditions and your preference, you may either wade, drift, or anchor fish in one or more of over ten different bays including Aransas, Mesquite, Carlos, San Antonio, Redfish, Corpus Christi and Nueces.
